RENEWED TESTIMONY.

No one in Gettysburg who suffers backache, headaches or distressing urinary ills can afford to ignore this Gettysburg woman's twice-told story. It is confirmed testimony that no Gettysburg resident can doubt.

Mrs. D. F. Arendt, R. R. St., gave the following statement February 14, 1916: "Doan's Kidney Pills have always given me the most excellent results. I was suffering from backache and dizzy headaches and my kidneys were much too free in action. I felt all worn out in the morning. Hearing of Doan's Kidney Pills I purchased some at the People's Drug Store and they gave me relief at once and have always given me such fine benefit that I keep them on hand to use in case of need."

On April 11, 1921, Mrs. Arendt said: "I don't have any kidney trouble at all any more and I attribute my cure to Doan's Kidney Pills. I think even more highly of Doan's than I did in 1916, because the cure they brought about has been a lasting one."

1922 Christmas Club

Let's Go Christmas Shopping Today for 1922

It doesn't sound sensible—but let's think about it anyhow. Christmas IS a happy time—and not one of us would sacrifice the happiness and pleasure that comes with exchanging good wishes and gifts—even though it brings with it the long search through stores for suitable remembrances AND, too often, the frenzied saving at the last moment for money with which to go shopping.

Even worse, in many instances, folks are compelled to have their Christmas purchases charged—and long after Christmas Day has come and gone, they are still paying for the giving.

That's why we invite you to shop to-day for next Christmas. In other words, start to-day to put aside a certain amount that next year shall be devoted to your gifts. There's an easy, practical way to do it.

Catarhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When the tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and the tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine cures the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Drug Stores. Write to J. J. CHENEY, CO., Toledo, O.

Serious Results from Colds.

Colds not only cause a tremendous financial loss but are also a serious injury to every one who contracts them as they lower the vitality and prepare the system for the more serious diseases.
